

POSSIBILITY 1

Once upon a time there was a robot named Bib.
Bib had lived in the city his whole life, but was
starting to hate it. He decided one day to leave
the city in search of nature and began his long trip
to the forest.

See What Happens Next

As he approached the forest for the first time, he heard some scuffling. It sounded like a fight. He headed toward the sound and found three mean hawks trying to trap a fluffy little kitten. "That poor kitten!" Bib thinks, but realizes he has a choice.

Option 1

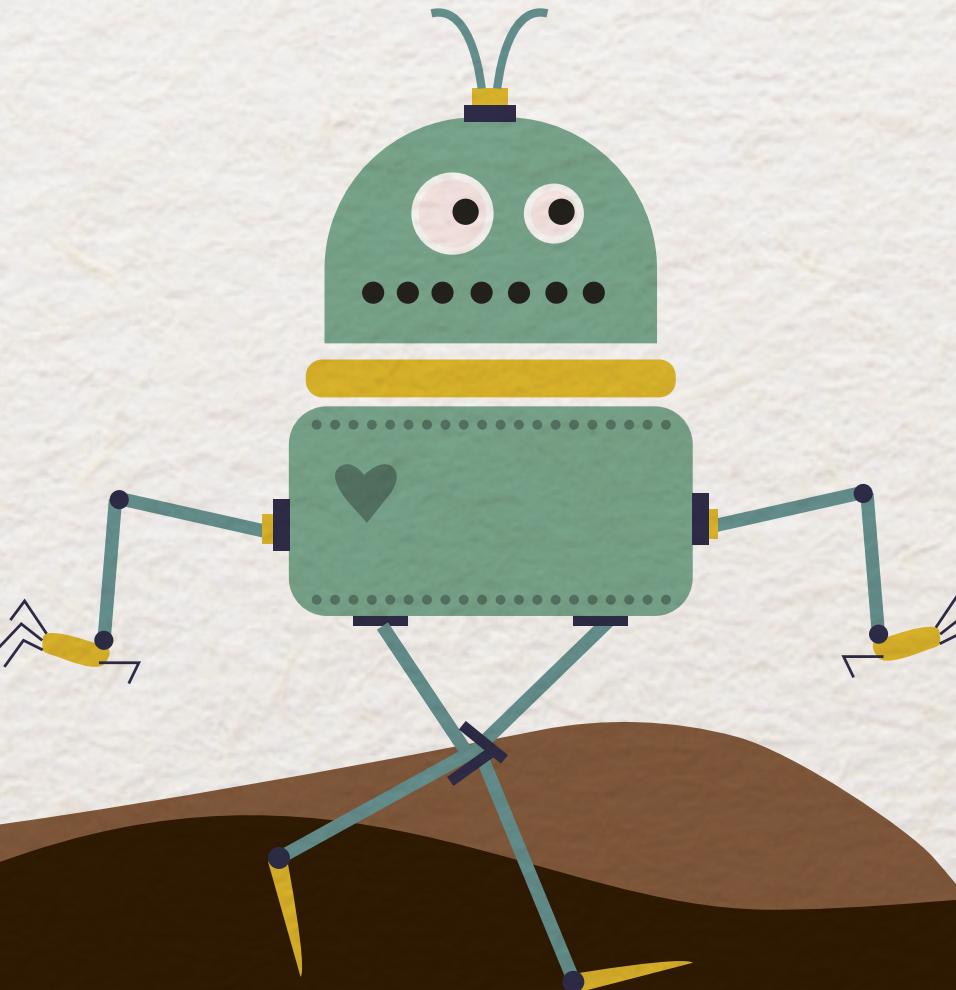

Option 2

Option 3

Option 4

Bib can continue on - this is not his fight after all!

See What Happens Next

Another group of hawks fly in and they draw their talons. They begin to squawk back and forth to each other, but Bib doesn't speak hawk! What should Bib do?

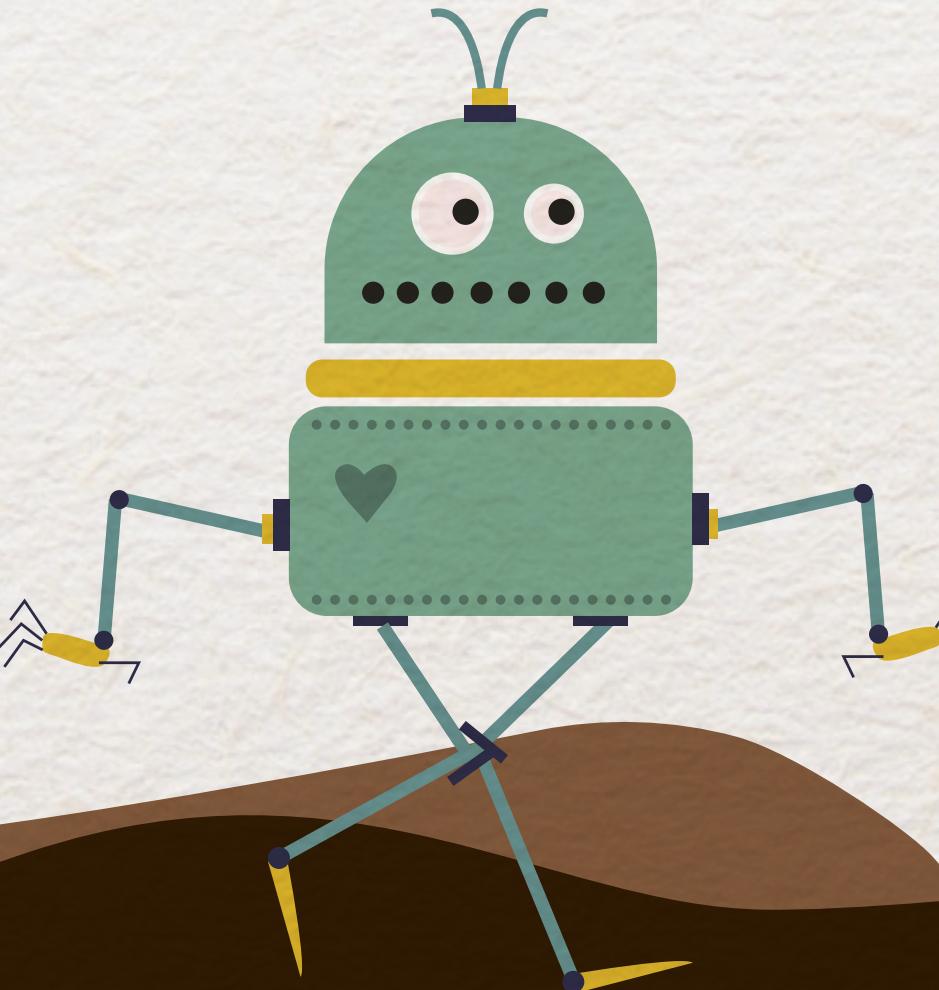

Option 1

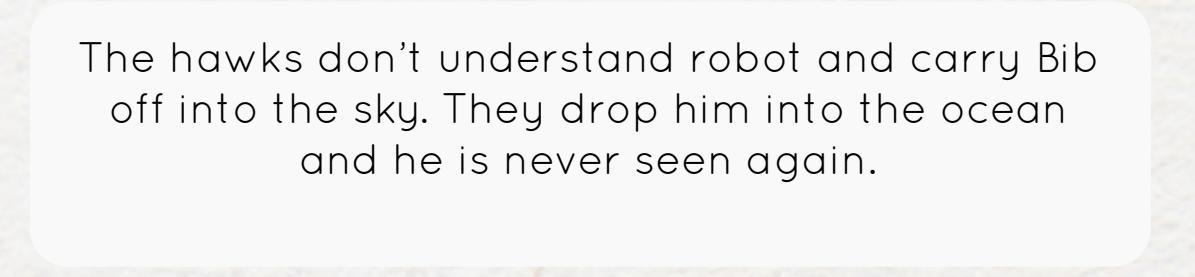

Option 2

Option 3

Bib tries to explain himself. He didn't do anything wrong!

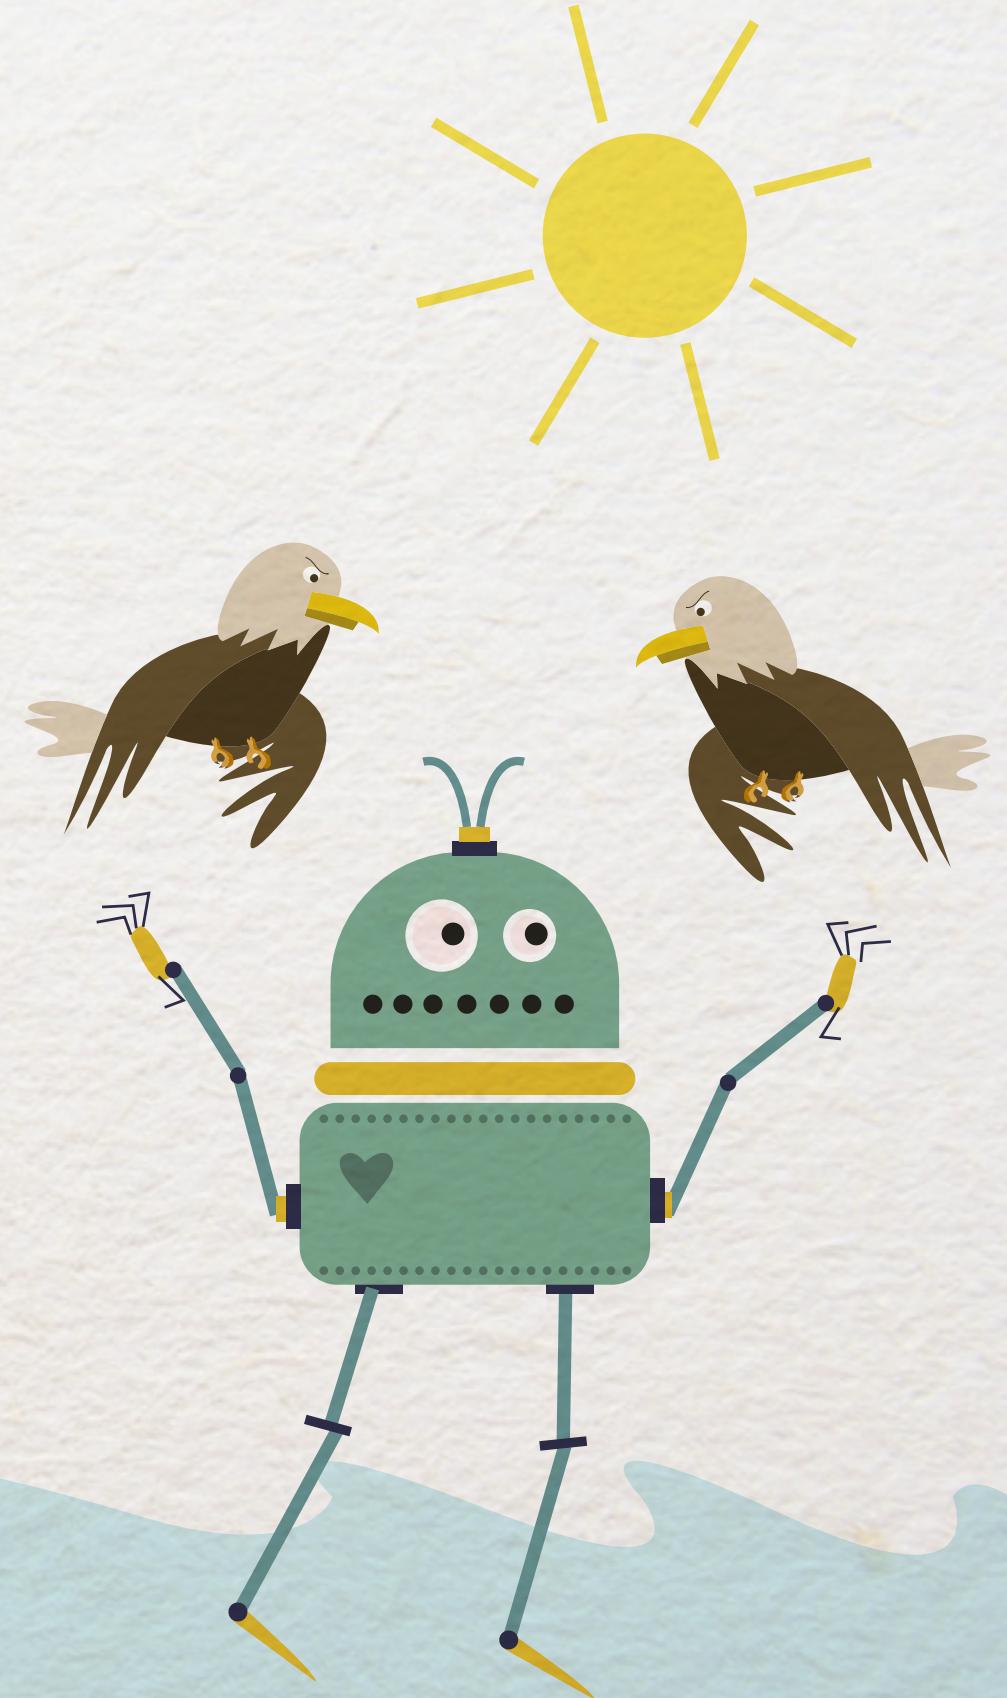

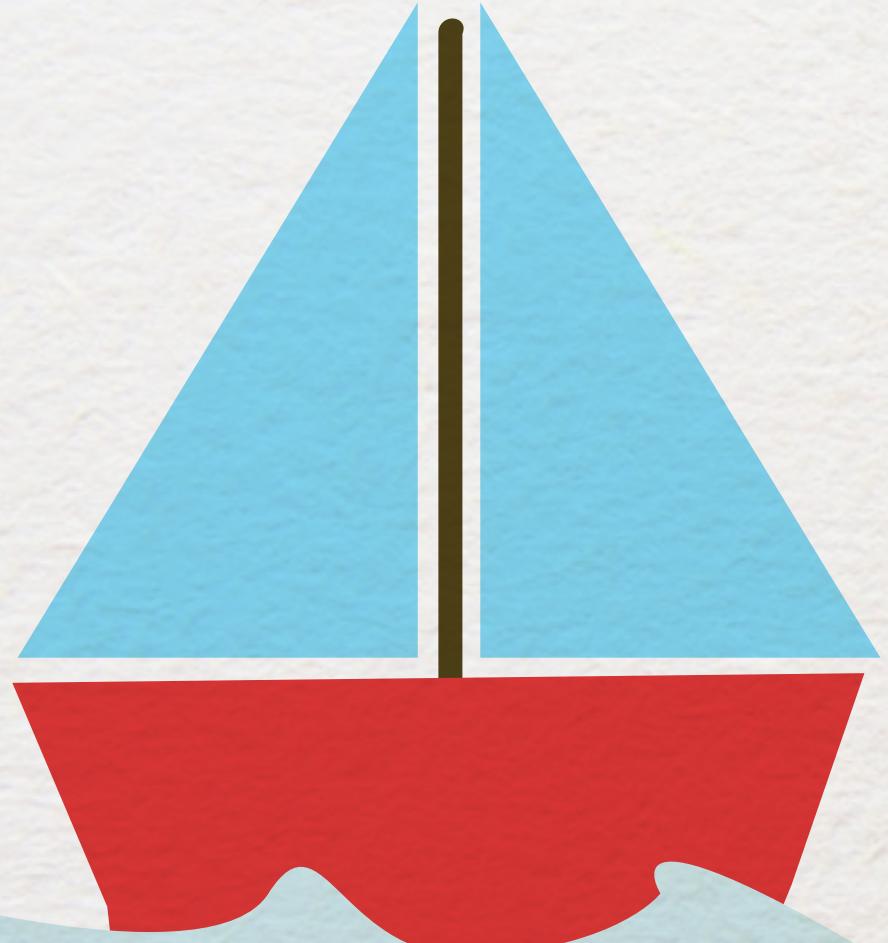

See What Happens Next

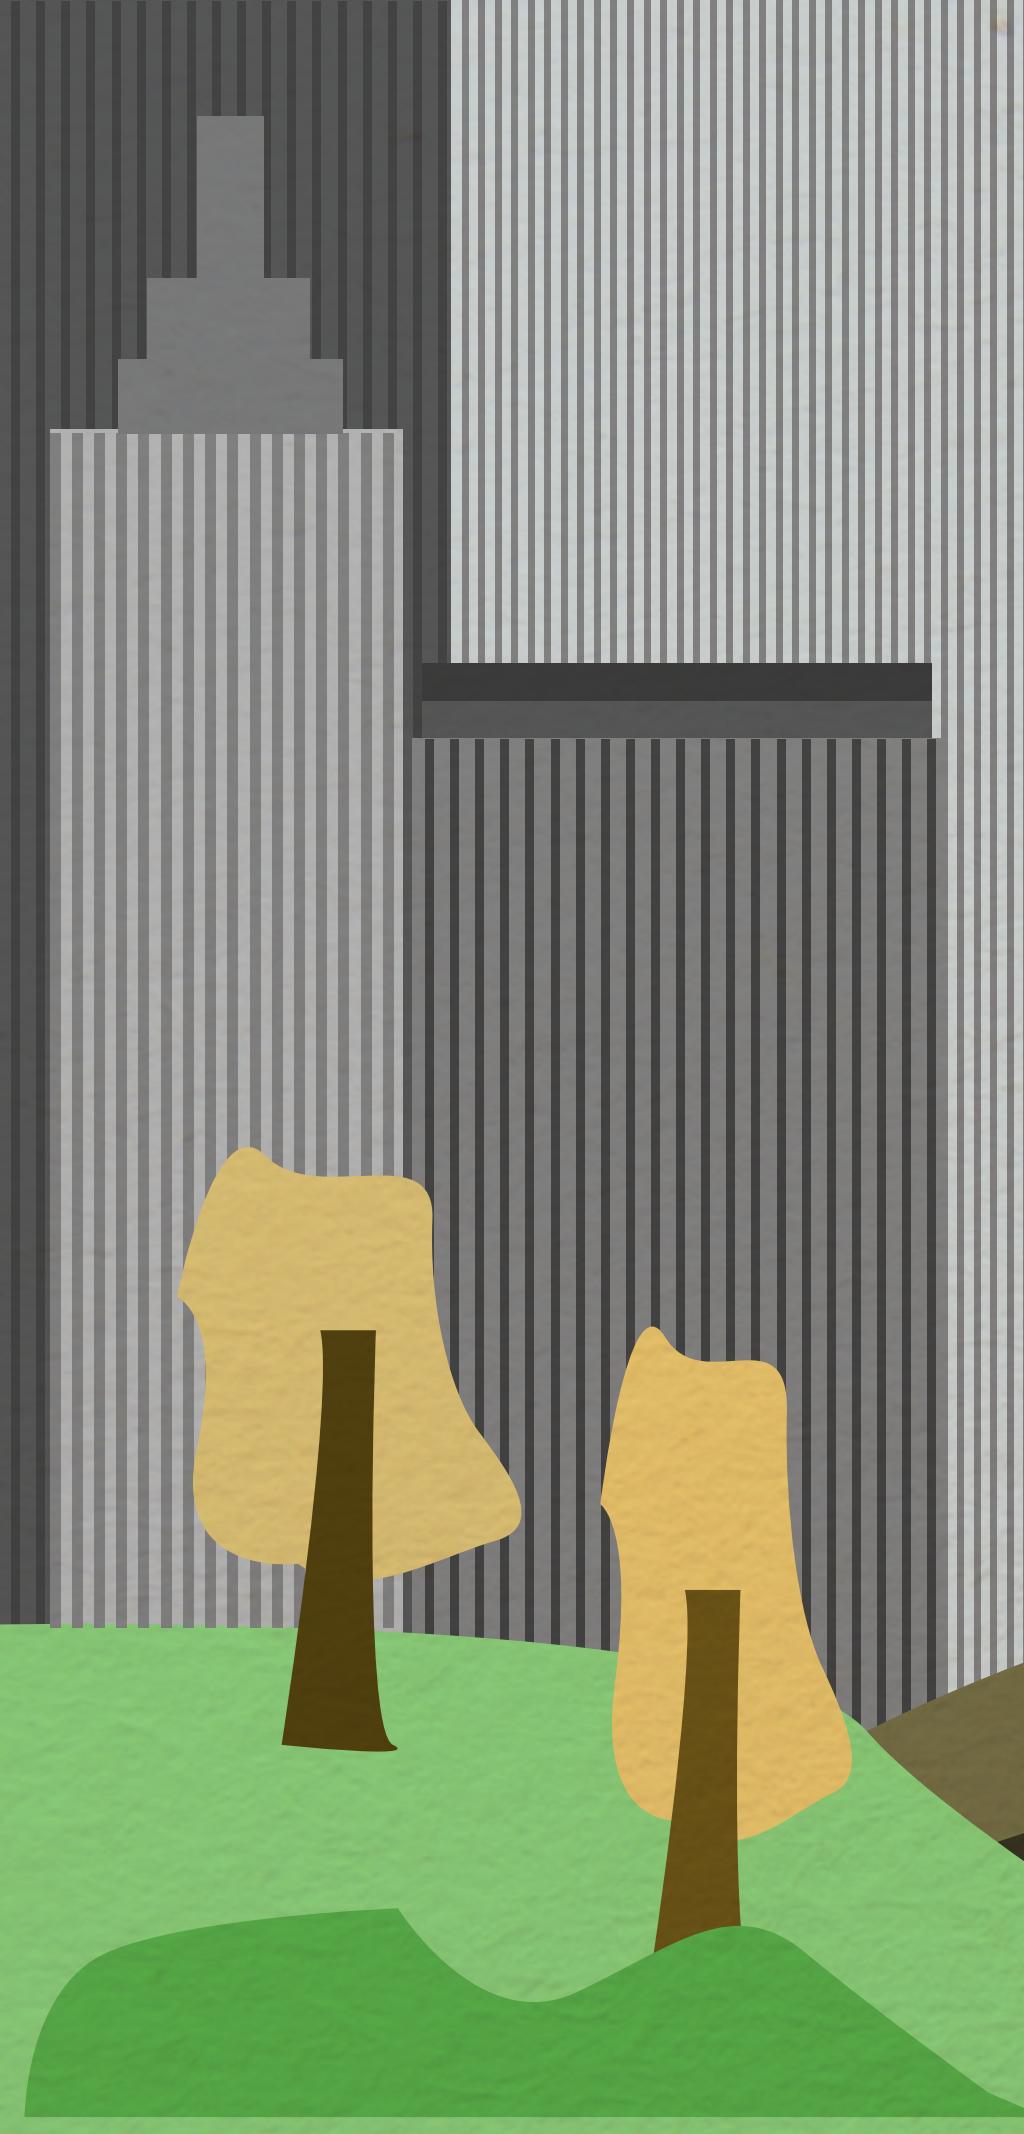

The hawks don't understand robot and carry Bib off into the sky. They drop him into the ocean and he is never seen again.

THE END

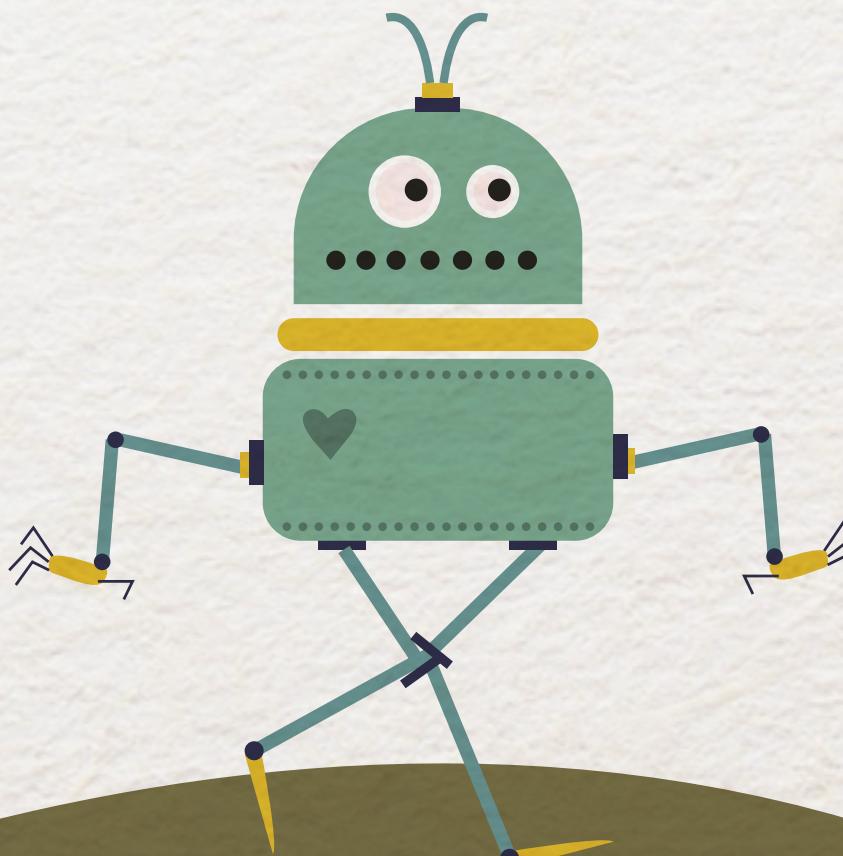

POSSIBILITY 2

Once upon a time there was a robot named Bib.
Bib had lived in the city his whole life, but was
starting to hate it. He decided one day to leave
the city in search of nature and began his long trip
to the forest.

See What Happens Next

As he approached the forest for the first time, he heard some scuffling. It sounded like a fight. He headed toward the sound and found three mean hawks trying to trap a fluffy little kitten. "That poor kitten!" Bib thinks, but realizes he has a choice.

Option 1

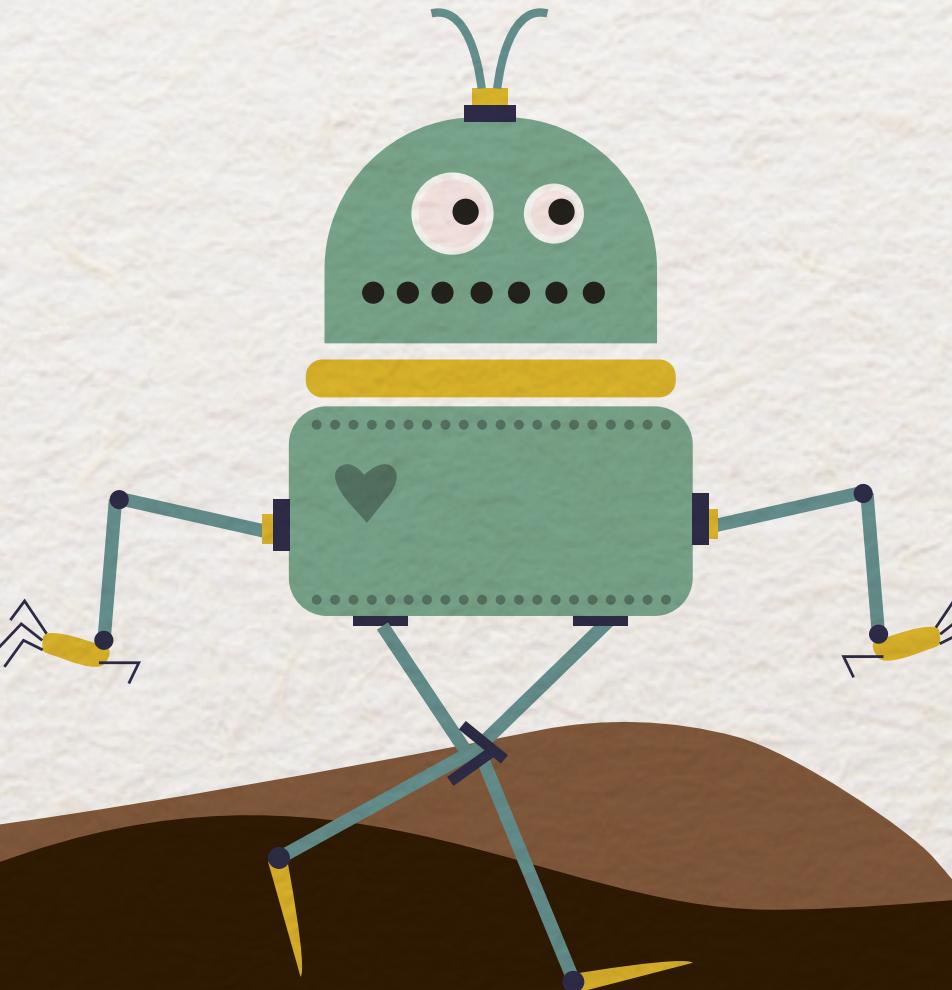

Option 2

Option 3

Option 4

Help the Hawks, perhaps they're the controllers of this forest and can help Bib start his new life in the forest

See What Happens Next

Bib tries to help the hawks capture the kitten, but the kitten dies in the process. The hawks start squawking back and forth to each other, one of them points a feather at Bib and manages to say, "murderer!"

Option 1

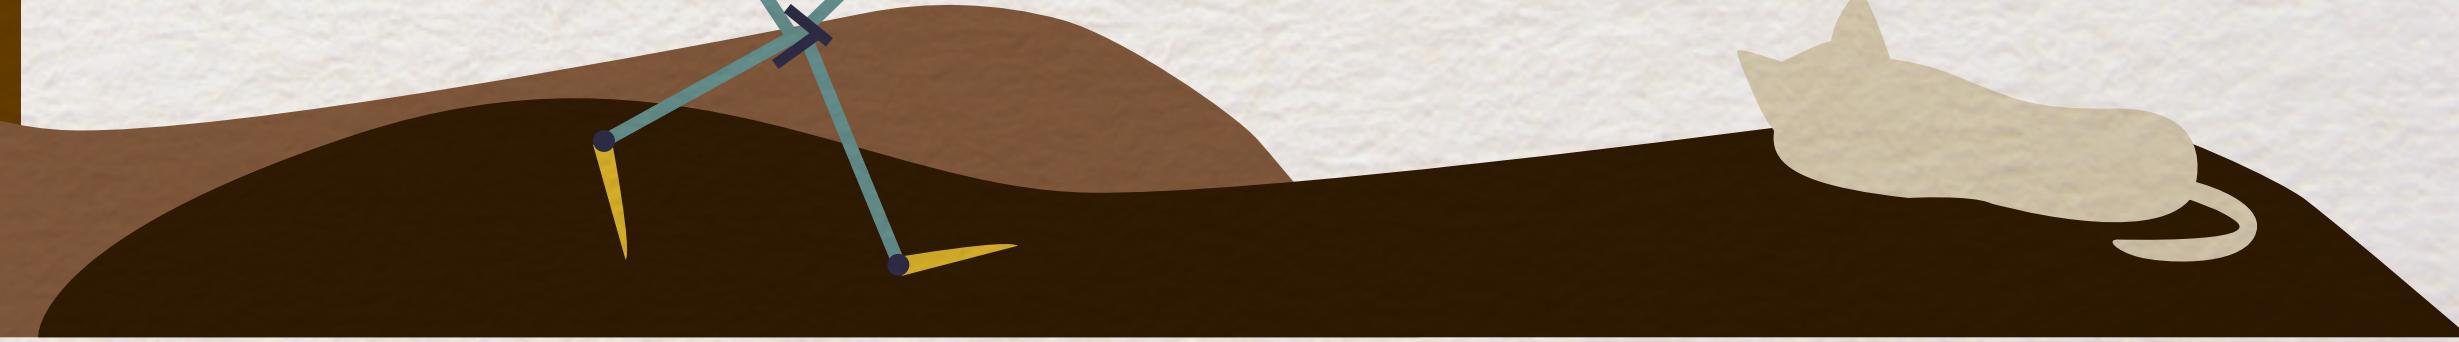

Option 2

Option 3

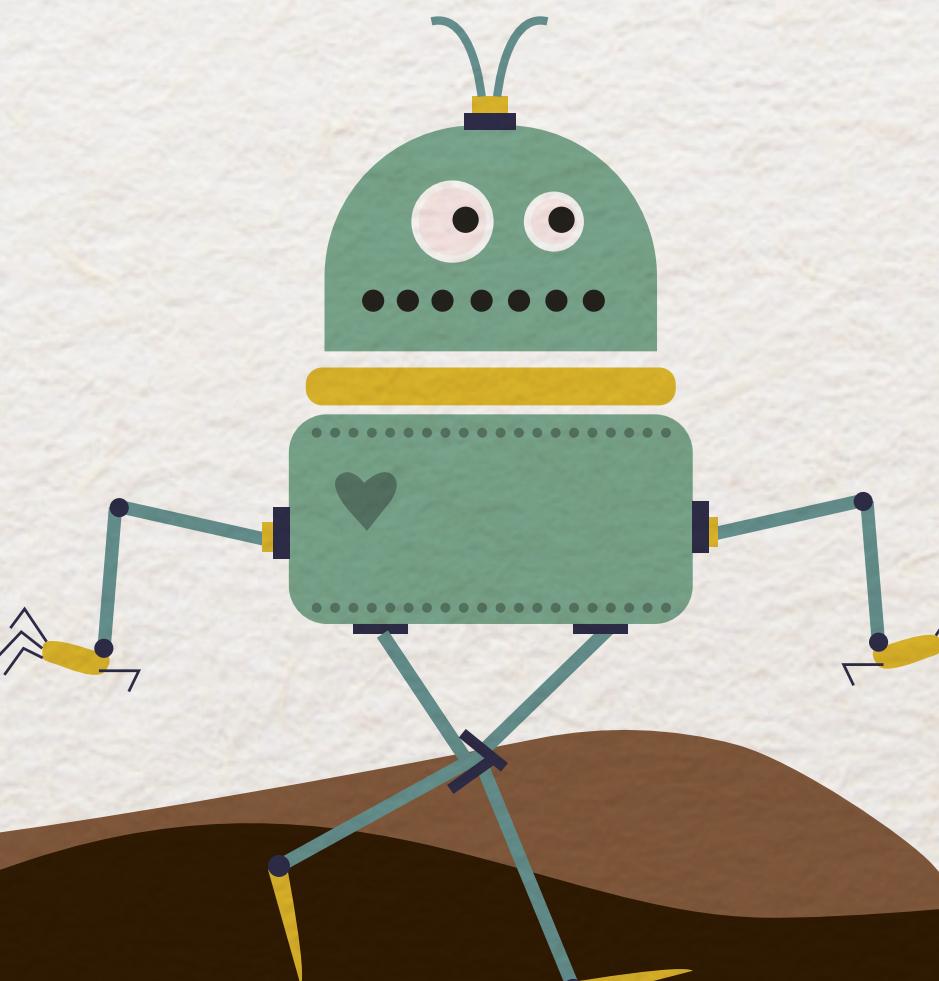

Option 4

Bib turns on the Hawks and tried to take them down. They made him murder an adorable kitten!

See What Happens Next

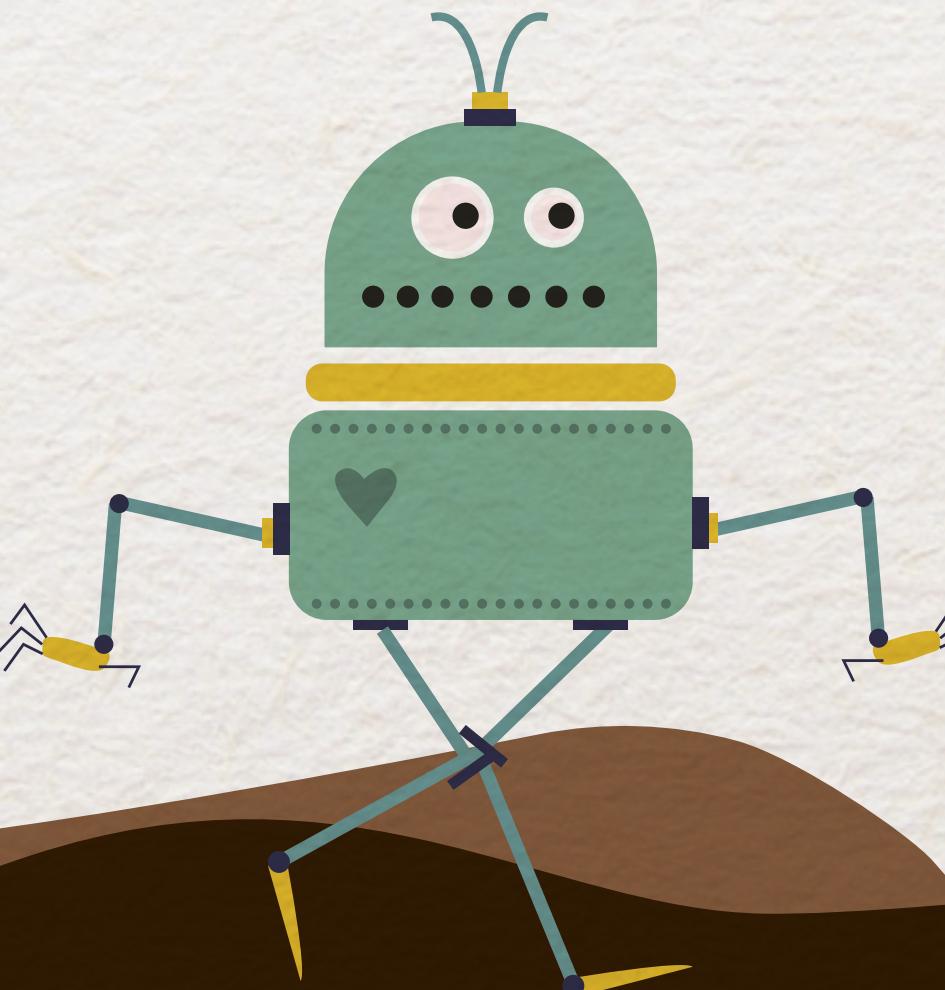

MURDERER!

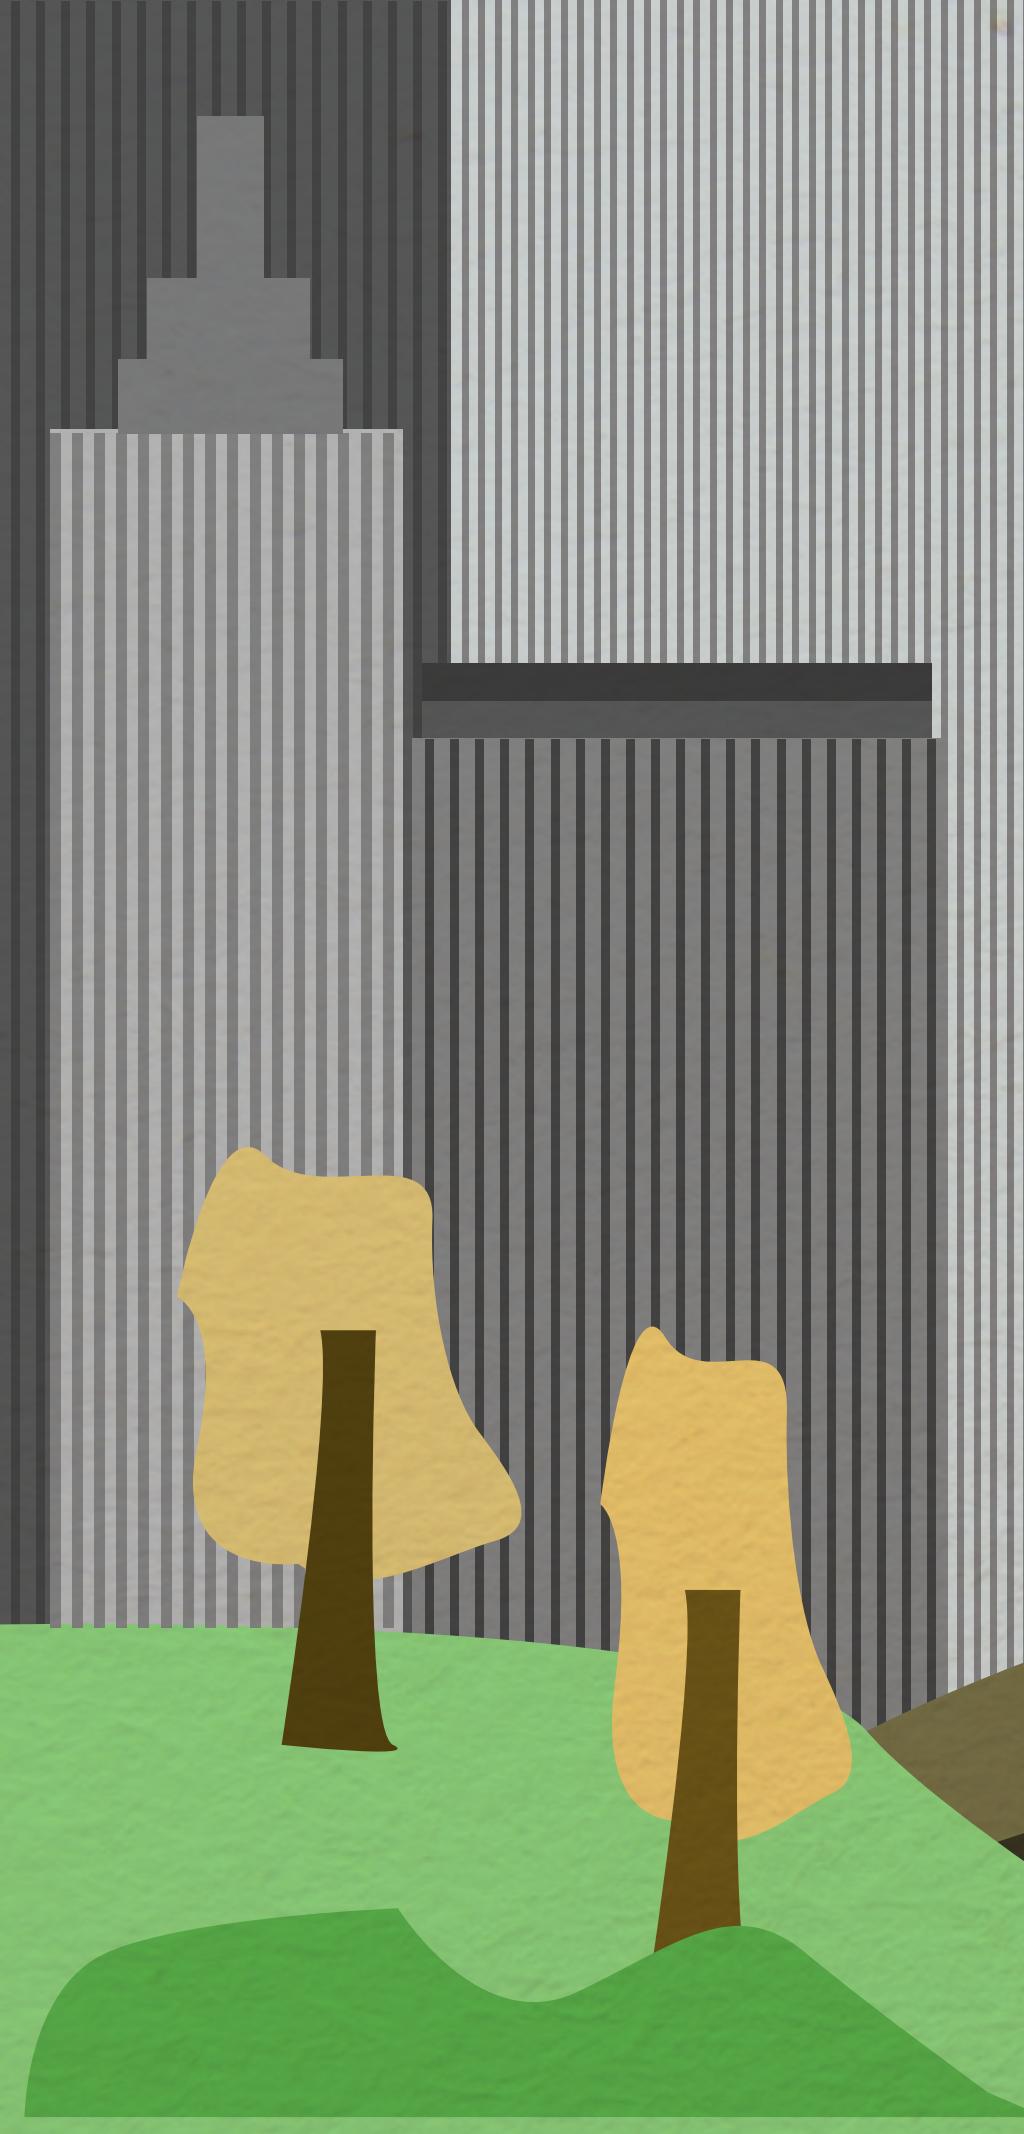

Bib successfully scares away the hawks for good and becomes the new leader of the forest. He lives happily ever after in nature, respected and feared by all who live in the forest.

THE END

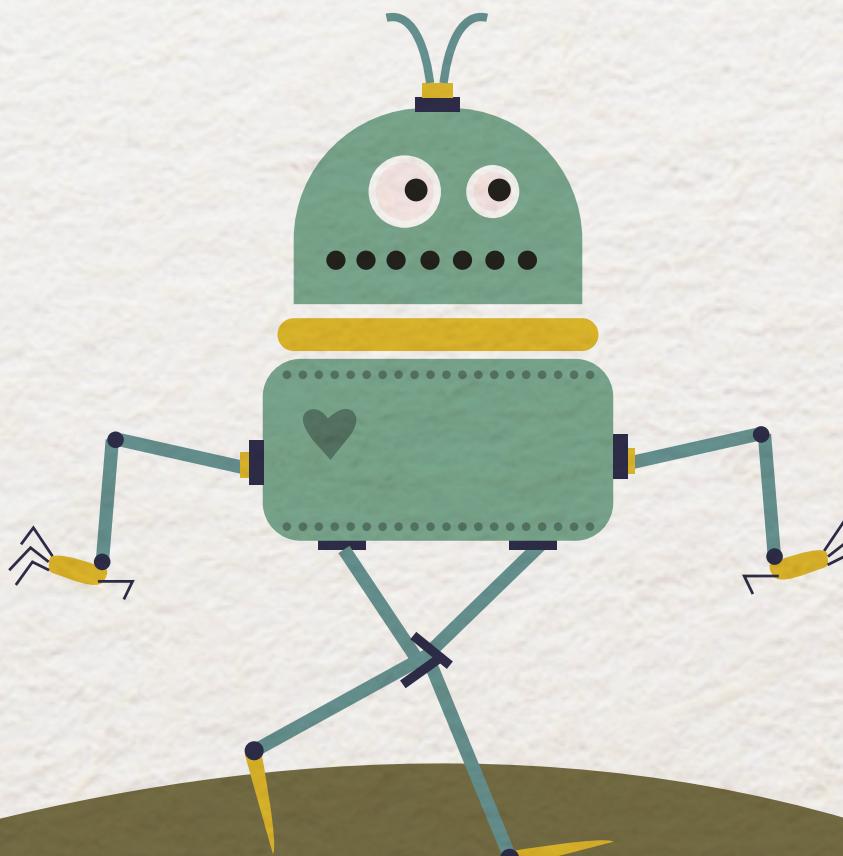

POSSIBILITY 3

Once upon a time there was a robot named Bib.
Bib had lived in the city his whole life, but was
starting to hate it. He decided one day to leave
the city in search of nature and began his long trip
to the forest.

See What Happens Next

As he approached the forest for the first time, he heard some scuffling. It sounded like a fight. He headed toward the sound and found three mean hawks trying to trap a fluffy little kitten. "That poor kitten!" Bib thinks, but realizes he has a choice.

Option 1

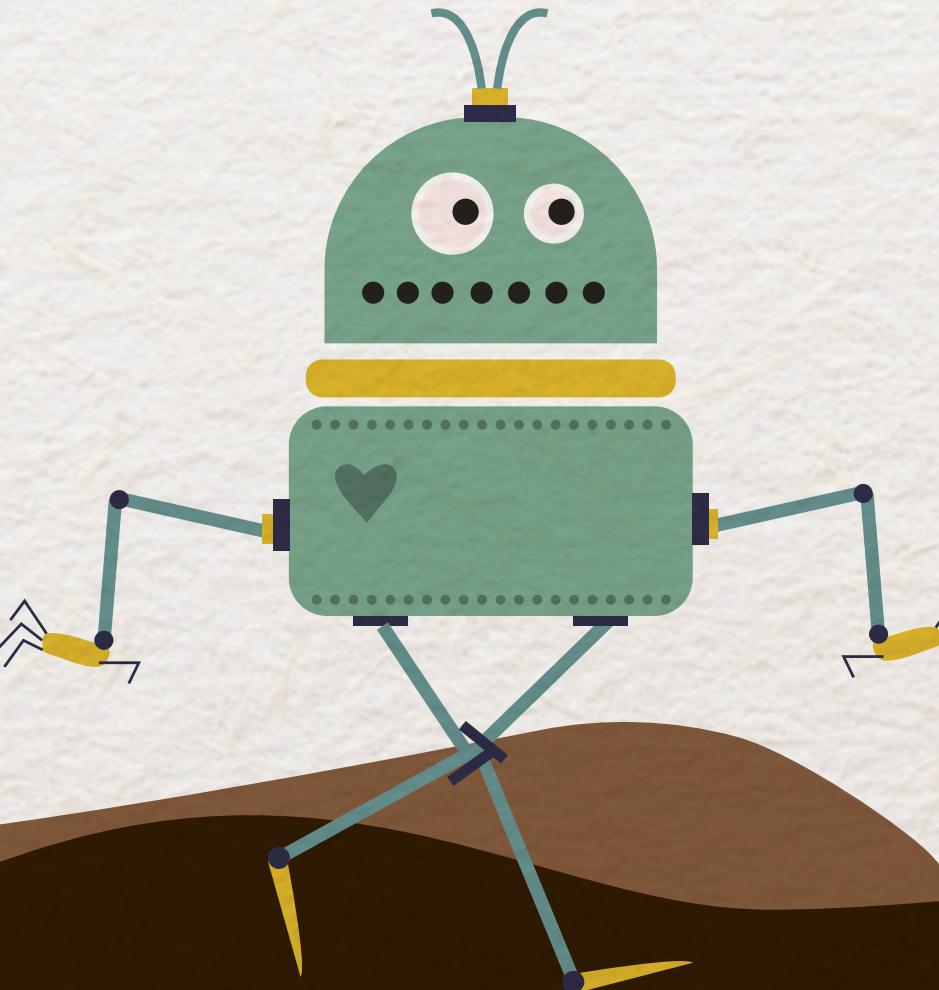

Option 2

Option 3

Option 4

Attack the Hawks! Bib loves kittens and these Hawks aren't fighting fair!

See What Happens Next

Bib and the kitten join forces and end up killing the hawks. The kitten is surprisingly deadly with his razor sharp claws and it frightens Bib a bit.
Bib becomes suspicious.

Option 1

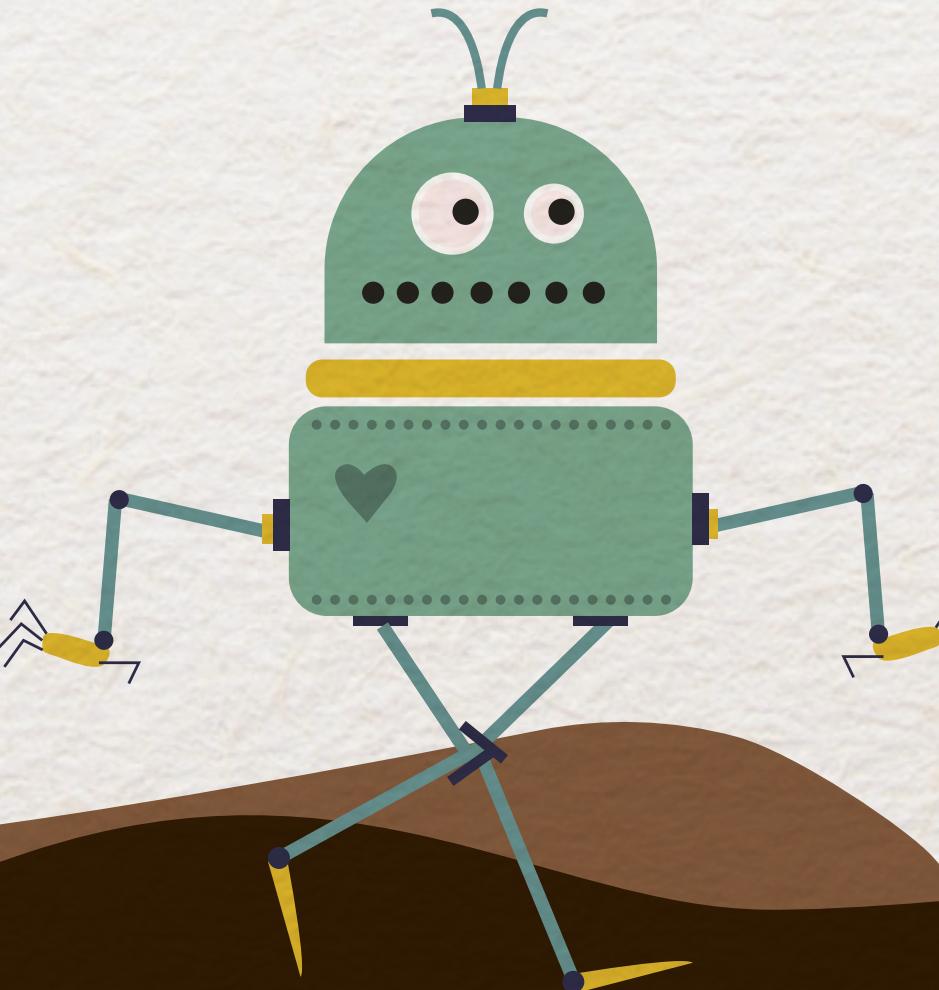

Option 2

Option 3

Option 4

Fearing threatened, Bib attacks the kitten.

See What Happens Next

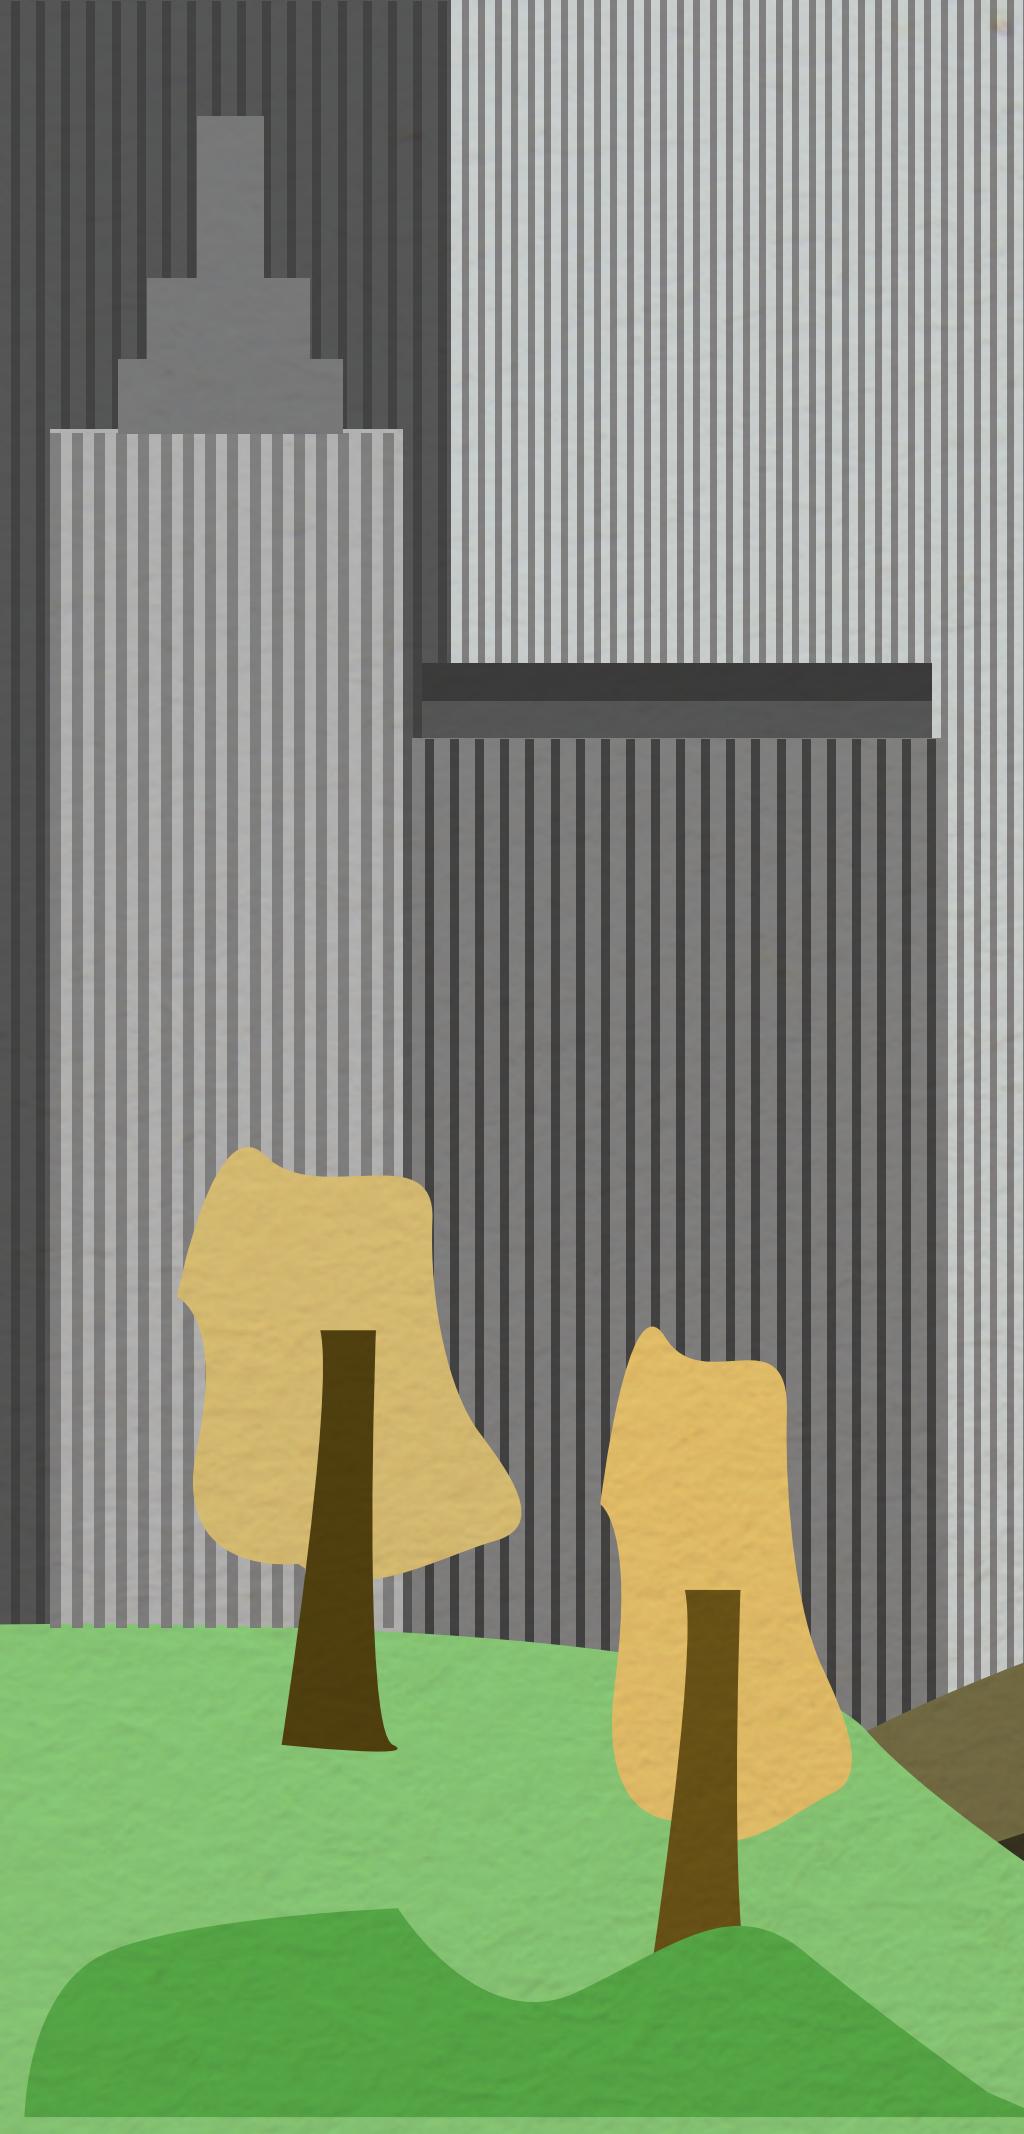

The kitten proves Bib's suspicions. He's too fierce
and kills Bib with a single, sharp kitten claw. The
kitten then becomes the ruler of the forest.

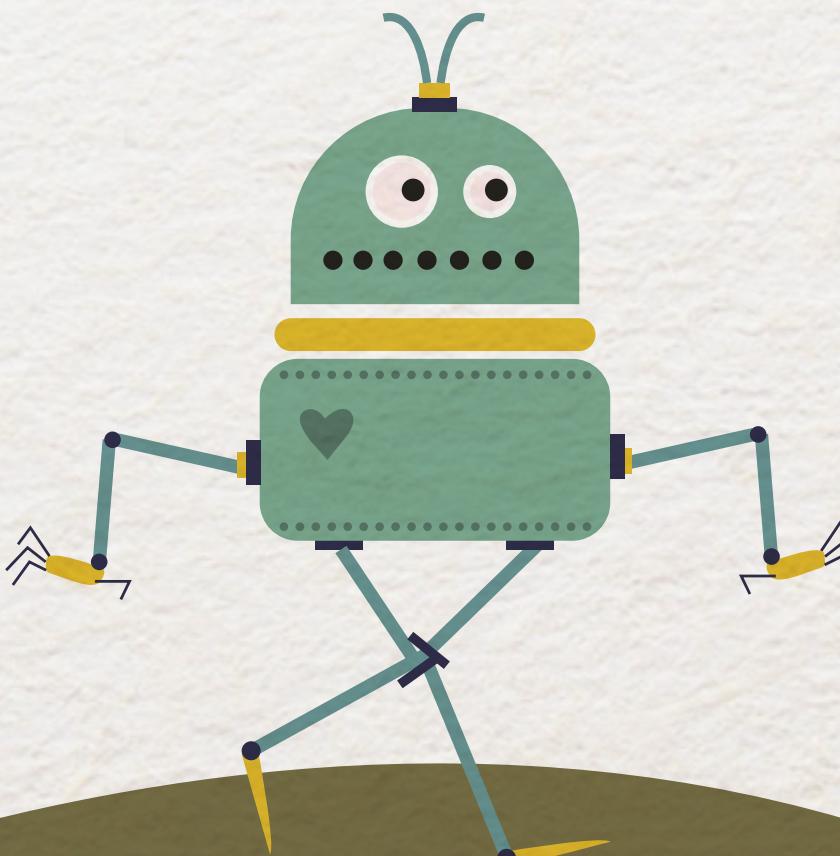

THE END

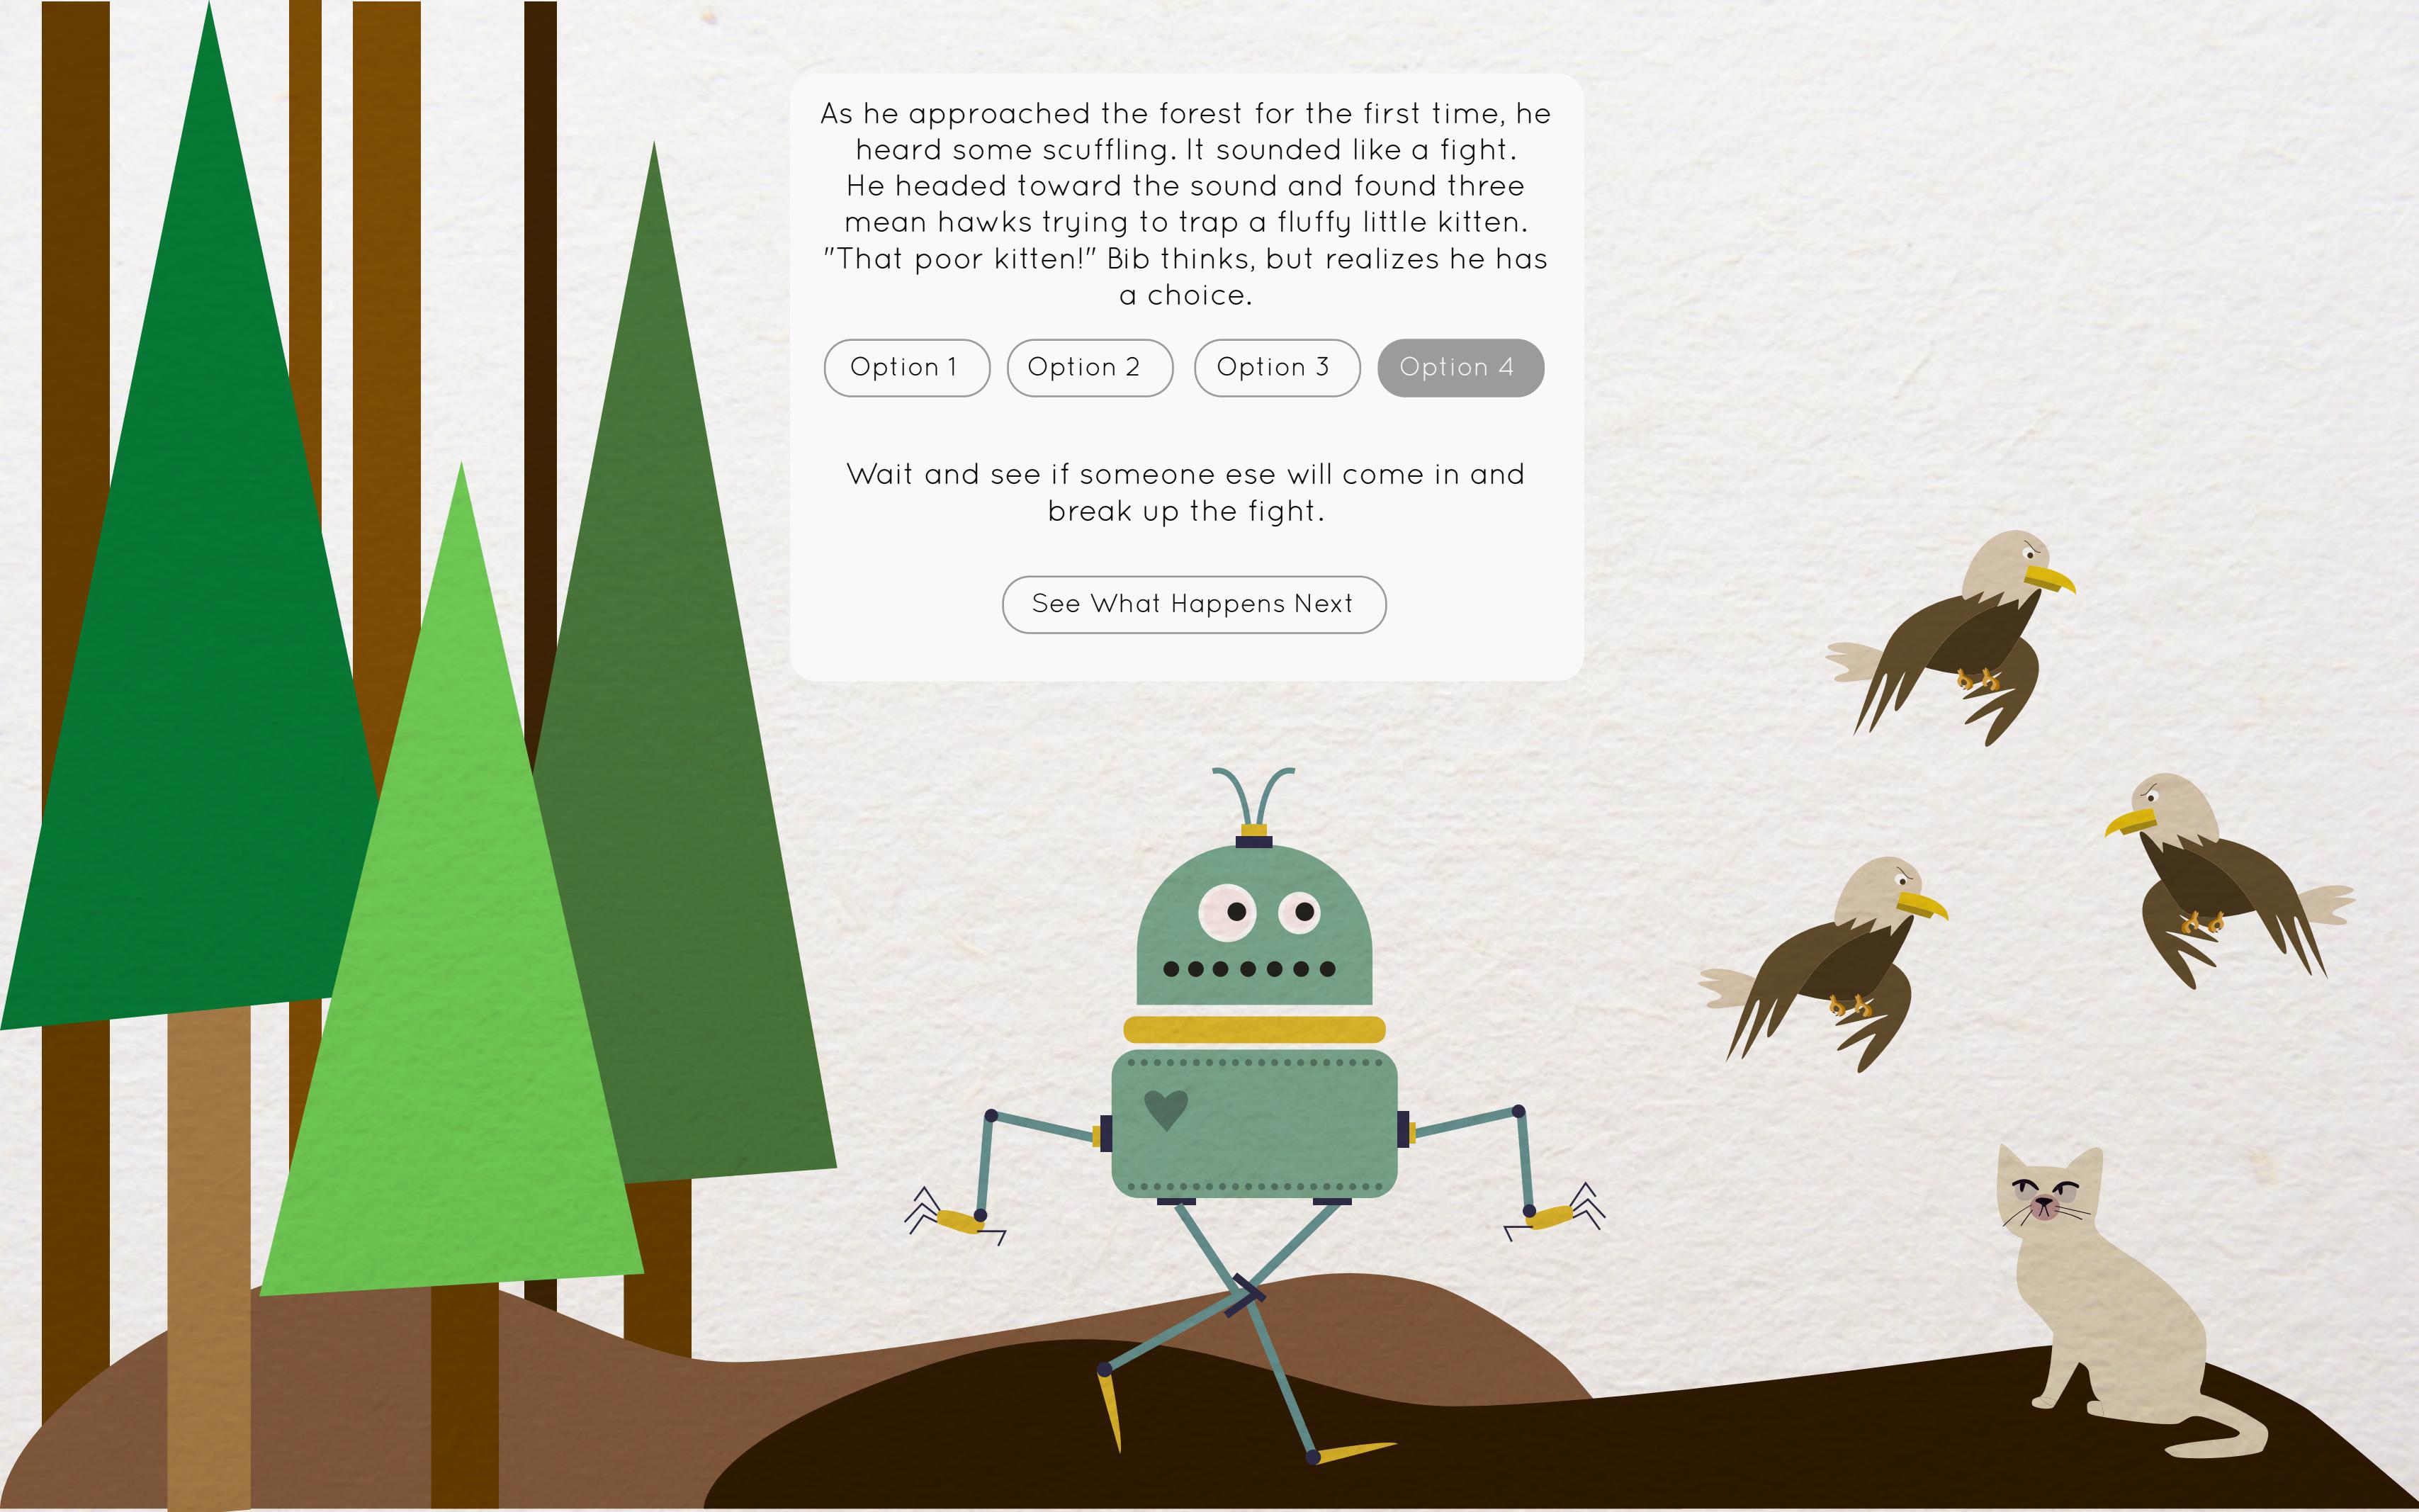

POSSIBILITY 4

Once upon a time there was a robot named Bib.
Bib had lived in the city his whole life, but was
starting to hate it. He decided one day to leave
the city in search of nature and began his long trip
to the forest.

See What Happens Next

As he approached the forest for the first time, he heard some scuffling. It sounded like a fight. He headed toward the sound and found three mean hawks trying to trap a fluffy little kitten. "That poor kitten!" Bib thinks, but realizes he has a choice.

Option 1

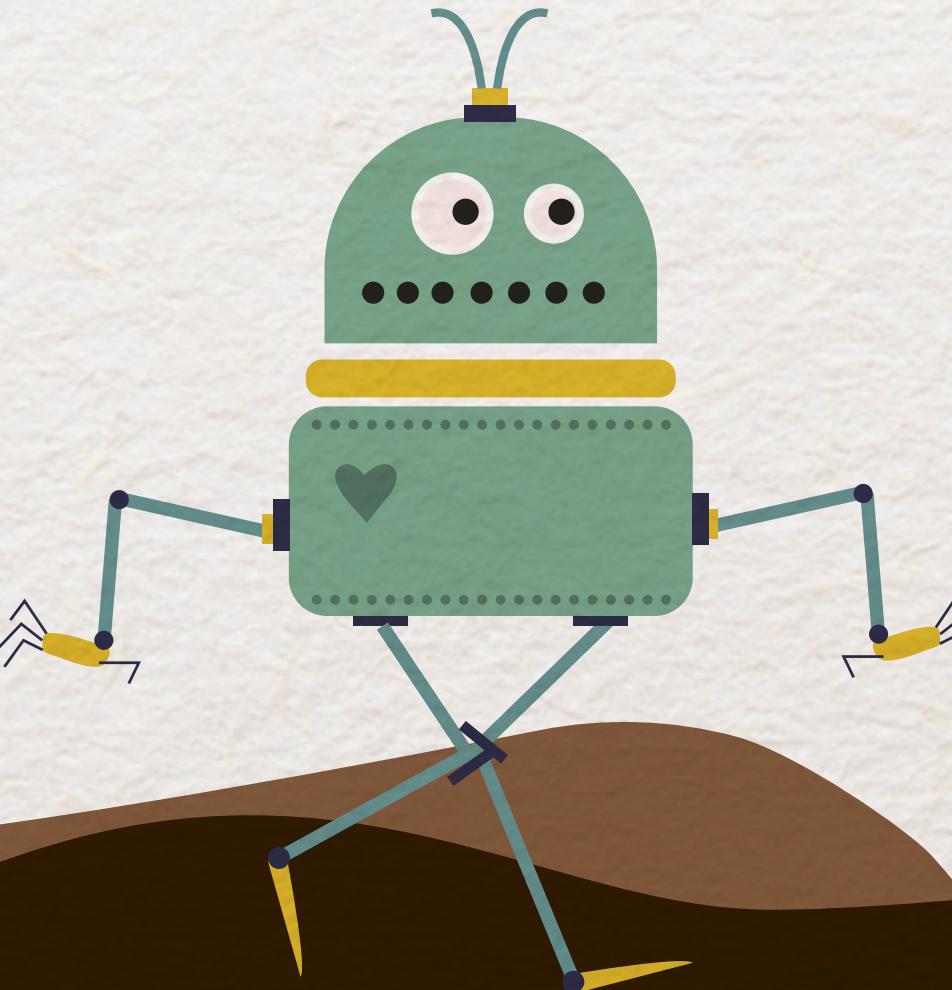

Option 2

Option 3

Option 4

Wait and see if someone else will come in and break up the fight.

See What Happens Next

Another group of hawks fly in and they draw their talons. They begin to squawk back and forth to each other, but Bib doesn't speak hawk! What should Bib do?

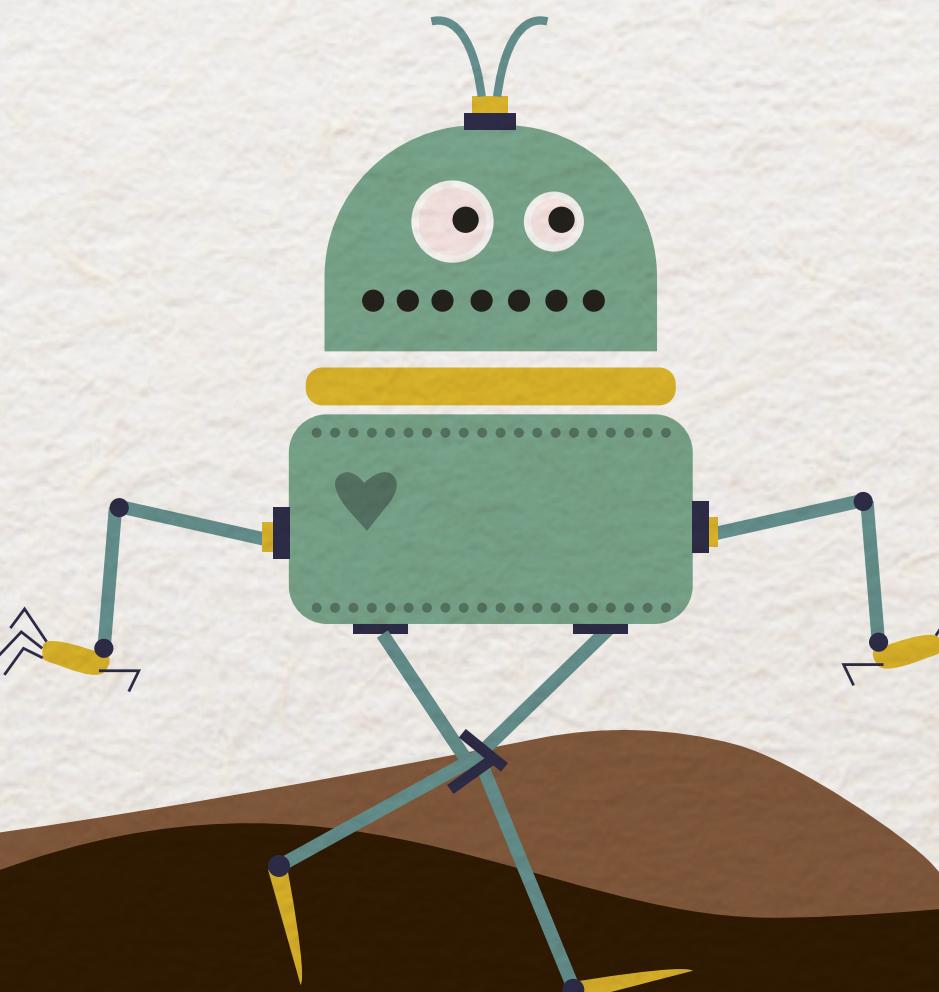

Option 1

Option 2

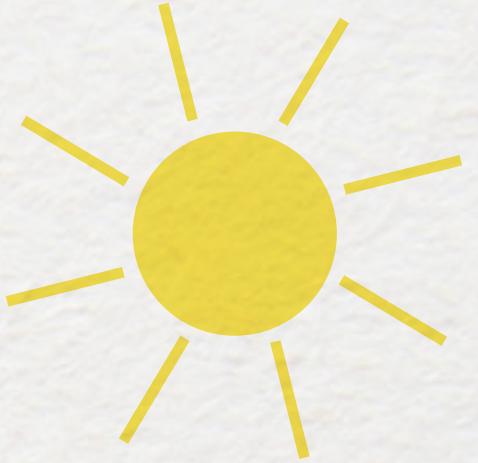

Option 3

Run for your life!

See What Happens Next

Bib luckily escapes with his life, but he still can't bring himself to go back to city life. He continues on until he reaches the ocean. Though it's not the forest, Bib is happy to live out the rest of his life in nature, beach style.

THE END
